## School-Parent Compact Review Meeting Pointe South Middle School

*A school-parent compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work in partnership to make sure all students get the individual support they need to reach and exceed grade-level standards.*

The data just shared with you showed that 18% of the students at Pointe South Middle School are proficient and/or distinguished in Language Arts and 11% proficient and/or distinguished in Math on the Georgia Milestones Assessment. While a small margin of our students are doing well, 33% are developing in reading, 35% are developing in math, and steps are in placed to meet the standards. With over 80 % of the students at the school are not proficient in reading nor math standards.

**Do you agree that the School-Parent Compact should focus on increasing the Reading and Math scores on the Georgia Milestones?**

Yes       No

**If not, please explain why:**

*In the chart below, please list a few things your child exceeds in with reading or math as well as few things your child struggles with:*
